THE DIVISION OF
PROCUREMENT SERVICES

Master COTS Contract

- Lots for hardware, software, SaaS, and the implementation services associated with each
- Divided into broad Categories (e.g. security software) and subcategories (e.g. vulnerability, encryption, authentication) for competition at the manufacturer and transaction levels
- Established set of terms and conditions tailored to each Lot's specific needs
- Seek to enter direct relationships with manufacturers
- Complete sales transactions with distribution channel partners

Master COTS Contract

- Focus on the transactional level
- Streamlined processes to acquire products based on the total dollar value and potential risk of the transaction
- Limited additional negotiation allowed to better fit particular needs of a transaction

Master COTS Contract

- Anticipated Timeline
 - Request for Comment: October 2019
 - Vendor meetings: November 2019
 - Solicitation: February 2020
 - Awards: June 30, 2020

Product List Updates

- Vetted in collaboration with vendors and SMEs at Division of Technology
 - Products are in-scope
 - Encroachment on other statewide term contracts
 - Licensing rights, when applicable
 - U.S. parts
 - Confirm contract pricing
 - Appropriateness for SC government environments
- Product lists are **NOT** contract documents
- Example: “All cloud products are excluded from this solicitation.”
